

Pangyrus Fiction Contest

Cash Prizes and Publication

PANGYRUS LIT MAG announces its first Fiction Contest! Calling all writers of short stories! We believe everyone has a great story to tell and more than one story at that. We'd like to read yours.

The contest is an open theme. Write what you want to write. Make the language sing and the tale lift off the page and into our hearts and minds.

For this contest, the word limit is 7,000. Please go to our Fiction Contest 2022 Submittable page for more details and to submit.

DEADLINE: DECEMBER 10, 2022
